and RELATED CROSS-ACTION.)	

Pursuant to Civil L.R. 16-14(d), that parties to the above-entitled action certify that they met and conferred at least ten (10) days prior to the subsequent case management conference scheduled in this case and jointly submit this Case Management Statement and Proposed Order and request the Court to adopt it as a Case Management Order in this case.

DESCRIPTION OF CASE DEVELOPMENTS

1. The following progress or changes have occurred since the last case management statement filed by the parties:

Pursuant to Order of this Court signed June 18, 2009, this matter is stayed pending completion of the leachate pipeline which is the subject matter of this litigation. Repair on the pipeline is near completion and the parties anticipate that the work will be completed in the next

thirty (30) days. At that time the parties will begin assessment of damages, including expert evaluation and testing.

2. The parties are still engaged in ongoing mediation discussions with mediator Bruce Edwards.

3. The parties jointly request the Court to make the following Case Management Order:

The parties request the Court set this matter for a further case management conference for not less than ninety (90) days from now.
